OUR THEME

'DANCE DIARIES'

Each story has a dance and each dance has a story. Each dance piece is a reflection of the different things that we have been through in the past year. These dance pieces are heartfelt and intentional.

REGISTRATION

Please proceed to the registration booth upon arrival. Please ensure all persons wear masks and sanitize your hands upon entry.

You will be given a registration form that you will fill out as you take your seats. This is needed for our record keeping. After filling it out, all registration cards will be collected by one of our ushers.

SEATS

After registration, please proceed to the Life Center to find your seat. You will then be ushered to your pod where you can choose your seats. Three seats will be available per family – 3 for the guests and 1 for your dancer. Your dancer will need to stay with you the entire time until they are called onstage.

MASK MANDATE and SANITATION

Everyone is required to wear mask while inside the building. The only time the dancers are able to remove their mask is while they are on stage.

We will have stations for hand sanitizers in the venue.

FACILITY MANAGEMENT

- All staff and volunteers working at the event are aware of the Dance Creation Studio Operational Plan.
- Surface Cleaning: After every POD, we will be wiping down frequently touched surfaces and equipment with disinfectant.
- Stage Floors will be mopped after each dance performance.

Sanitizer: We will have hand sanitizer (70% alcohol) placed around the venue.

STAGE

The stage will be marked for each class. Each child will have a specific spot assigned. All dancers are not required to wear their mask onstage but if the child wishes to wear a mask onstage, he or she is welcome to.

The stage will be mopped in between the dance numbers. This may take 5-6 minutes.

COSTUMES

- If the costume assigned for your child's class is from Dance Creation Studio, your child's costumes will be ready for pick up on the following schedule:

FOR JUNE 13TH: Pick up day is JUNE 12TH at the studio, from 9am-3pm

FOR JUNE 19TH: Pick up day is JUNE 18TH at the studio, from 11am-5pm

- Please make sure that your child is wearing his/her costume and hair and make-up requirement (if any) upon arrival at the venue. They can change into their dance shoes once they are in their seats.
- If your child has 2 or more classes during the filming, your child may change in the changing area. We will have ushers that will assist you and point you where to go.
- After the show is done, please make sure to put your child's costume in the bag that will be provided. You will find a bag on your seat and you will need to put the name of your child on the name tag on the bag. We will collect all the bags once everyone has left.

CHANGING AREA

- Every child that has multiple classes during the filming will have a designated spot in our changing room. For children ages 3-8 years old, one parent will need to accompany the child as he/she changes to the next set of costumes.

SHOWTIME

- Your child's class will be called to come up to the stage. We will be calling each child one by one. For kids ages 3-6 years old, we will ask one of the parents to usher them to their spot on the stage and help their child remove the mask. The teachers and the student assistants will be helping in directing everyone to their specific spot. Once all the children are on the stage, the teacher will be doing a run-through of their dance number. After the run-through, we will be ready to do their dance full out and we will start filming their dance. We will have a photographer that will capture this special moment as well.
- Once your child's number is done, they will be ushered down back to their seat.
- Once all the dance numbers are done and filmed, we will be letting everyone out one family at a time. Please wait for the instructions on the timing of departure. Wear a mask as you leave your seats and maintain social distancing.
- We request that all families stay and watch all the dances within their pods.
